Some food and cash bar available.

AWS Scholarships

Please be aware of the many scholarships available for students in Welding and Materials Joining Programs.

For full details: go to AWS.org of both District and National Scholarships.

American Welding Society

Arizona Section

Newsletter for February, 2011

The subject for these meetings is,

Robotic Welding "Are You Ready for It."

The speaker at the three meetings will be our First Vice Chairman,

Rob Jozwiak

Weld Consulting & Engineering Solutions, LLC

The founder Robert Jozwiak has over 17 years of experience in the welding, engineering, automotive and non-automotive industry. While working as both a supplier and end user, he has been able to reduce capital equipment costs, ensure product quality and implement standard methods to reduce the overall CPU (cost per unit). Rob has the experience and knowledge to move your company in the right direction. He graduated with honors in 1993 from Ferris State University, with a BS in Welding Engineering Technology.

Future meetings

We are planning a plant tour in Tucson area, we will finish the arrangements during this month.

Feel free to contact us if you want to be our speaker and present your product to the AZ section.

Information on upcoming meetings will be posted on our section new website.

Greetings to all Arizona section members.

It is great to have the opportunity to help our section with our fellow officers. We are kicking off the new year with Also we are still working on the implementation of our new website and our optional mailing list by email.

This month we will have our first meeting for the year 2011 in Phoenix and Tucson to accommodate the entire Arizona membership resulting in many opportunities for interaction across the state. I look forward to receiving your comments and suggestions to improve our section.

please send an email to Brent to be added to the email mailing roster. For example,

Thank you and have a great year,

Best Regards,

Aldo L. Perazzone
