## **American Welding Society Introduces New AWS Product Line**

*Trendy Gear Now Available for Purchase*

**MIAMI, FL., May 14, 2009** – American Welding Society (AWS) members can now show their pride in the Society by purchasing the hottest gear in the welding industry. The AWS has launched its new AWS product line which gives members the opportunity to purchase American Welding Society shirts, hats, accessories and more at the AWS E-store. All of the products are branded with the American Welding Society logo.

“We’re very excited about the new AWS product line,” said Cassie Burrell, AWS Deputy Executive Director. The line is a great way for members to show their pride in the AWS whether it’s by sporting casual and trendy clothing that we’ve added to the collection or showing off their professional affiliation with an AWS-branded briefcase or golf accessories.”

The American Welding Society partnered with LogoDogz, a leading supplier in the embroidery, screen printing and promotional products industry to create the AWS product line. The line includes more than 20 products for both men and women and make great gifts for friends, colleagues and anyone who wants to display their relationship to the AWS.

The clothing, hats and accessories are available for purchase at [www.logodogz.net/aws/store](http://www.logodogz.net/aws/store) and range in price from \$12- \$56.

About AWS

*The American Welding Society (AWS) was founded in 1919 as a multifaceted, nonprofit organization with a mission to advance the science, technology and application of welding and allied joining and cutting processes including brazing, soldering, and thermal spraying. Headquartered in Miami, Florida, and led by a volunteer organization of officers and directors, AWS serves more than 50,000 members worldwide and is composed of 22 Districts with 250 Sections and student chapters.
