FOR IMMEDIATE RELEASE

American Welding Society Announces Educational Session Lineup for FABTECH Canada

Miami, Fla., February 25, 2014 – The American Welding Society (AWS) will host various educational sessions at the FABTECH Canada show at the Toronto Congress Centre on March 18 – 20, 2014. FABTECH Canada is Canada's only exclusive fabricating, welding, metal forming and finishing event.

AWS has a three-day lineup of educational sessions targeting welding industry professionals and novices. The 2014 program includes:

Fundamentals of Weld Cracking

Tuesday, March 18, 2014 10:15am – 12:15pm

Fundamentals of Pipeline Welding

Tuesday, March 18, 2014 1:15pm – 3:15pm

Essential Tips for Welding Aluminum

Wednesday, March 19, 2014 10:15am – 12:15pm

U.S. Codes and Standards

Wednesday, March 18, 2014 10:15am – 12:15pm

The Future of Welding Education

Thursday, March 20, 2014 10:15am – 12:15pm

To find out more about welding programs offered at FABTECH Canada and to register, please visit www.fabtechcanada.com . For questions, please contact AWS Education Services at 800-443-9353 ext. 223.

About AWS

The American Welding Society (AWS) was founded in 1919 as a multifaceted, nonprofit organization with a mission to advance the science, technology and application of welding and allied joining and cutting processes worldwide, including brazing, soldering, and thermal spraying. Headquartered in Miami, Florida, and led by a volunteer organization of officers and directors, AWS serves nearly 70,000 members worldwide and is composed of 22 Districts with 250 Sections and student chapters. For more information, visit the society's website at <http://www.aws.org> and click on "Pressroom."
