ELIHU THOMSON RESISTANCE WELDING AWARD

The Elihu Thomson Resistance Welding Award is presented annually to a living individual who has made an outstanding contribution to the technology and application of resistance welding, as evidenced by any of the following:

1. A technical paper published in the *Welding Journal*.
2. Innovations in resistance welding equipment.
3. A unique application of resistance welding in a production environment.
4. Other contributions as the Awards Committee shall deem worthy of recognition.

Return this form to Headquarters by October 5, 2007.
