The purpose of an errata sheet is to notify the public that a published standard has a typographical error. Errata sheets provide a list of errors and their corrections on an AWS standard introduced during the publication stages.

AWS Errata Sheet

The following Errata have been identified and will be incorporated into the next reprinting of this document.

Page 69 – **4.17.5 Craters.** Weld craters shall meet the requirements of Table 4.6 or shall be repaired in conformance with 4.19. The reference should be “…conformance with 4.20.”
