

**American Welding Society**  
SOUTHEAST NEBRASKA - SECTION 160

**September Meeting:**

**What:** [Husker Harvest Days](#)

**Time:** *Tues. & Weds.*  
8a.m. to 5p.m.  
*Thurs.* 8a.m to 4p.m.

**Where:** Grand Island  
9000 W. Husker Highway

**Cost:** \$12

**When:** September 9, 10 & 11

**Husker Harvest Days will be our September tour:** <http://huskerharvestdays.com/main.aspx>

**Husker Harvest Days** is an event which will be taking place for 3 days in Grand Island, Nebraska. The prime exhibitors of the event are the top suppliers of irrigation equipment and agricultural related products in the world. Husker Harvest Days 2014 houses more than 600 exhibitors related to the field of agriculture. Welding related companies such as Miller Electric Manufacturing, Matheson, Victor Technology Inc., Island Supply Welding Co. and many industry related, manufacturing companies will be attending. To find out more, click on the Husker Harvest Days web site link, above.

**The American Welding Society** will also have a **Careers in Welding Trailer** at the show for visitors to try their hand at welding and learn more about a career path in the industry. The trailer is an interactive educational exhibit that contains five welding simulators, a social media kiosk, welding scholarship information and more.

They still **need student volunteers** to help out in the trailer. If you are willing to volunteer for 1/2 day, you get *free* admission and can check out the grounds the other half of the day. **Plus**, volunteers get a *free* AWS T-shirt, a daily *drawing* to win a quick change helmet (a total of 3 will be given away) and a *drawing* at the end of the event for all volunteers for a welding machine.

*This is a great opportunity to teach other students about welding and have fun!* If you are a *dependable*, *contentious* and *interested* student, click on the flyer for contact information and sign up!
